Caterpillar

Take It Make It Craft Kit for week of June 1-7, 2020
(Packets are available outside Main Library, weather permitting and while supplies last.)

Supplies:
- Black caterpillar base
- Green caterpillar base
- 3 green curved pieces
- 1 red caterpillar head
- 1 black oval
- Glue stick (not included)

Directions:
1. Put glue all over the back of the green caterpillar body.
2. Lay the green caterpillar body on top of the black caterpillar body.
3. Glue the green curved pieces to the 1st, 3rd, and 5th body parts of the caterpillar.
4. Glue the red caterpillar head onto the green caterpillar base. Match up the face on the red caterpillar head with the face on the green caterpillar base.
5. Glue the black oval on the caterpillar to make a nose.
