Coronavirus Update: Upper Arlington Library Locations to close temporarily

In response to Gov. Mike DeWine’s orders closing all K-12 schools and prohibiting mass gatherings, all Upper Arlington Public Library locations will close effective at 6 p.m. today, Friday, March 13 and remain closed through Sunday, April 5. This will be subject to review based upon ongoing developments with the Coronavirus Pandemic.

The book drops at each location will be closed as well and we encourage you to keep your materials through April 13th. Due dates will be adjusted accordingly.

This decision was not made lightly. We know early action in stemming the spread of the coronavirus, or COVID-19, is critical. The scientific evidence that early social distancing can help stop the spread of the coronavirus is a compelling factor in taking this precautionary step on behalf of our customers, staff and the community during this pandemic.

We will continue to follow guidelines provided by our local, county and state health officials and the Centers for Disease Control and Prevention (CDC).

The safety of customers and staff is a priority for the Library. Follow us on social media and check our website for updates. We will keep you informed of additional changes in operation as this rapidly evolving public health situation continues to unfold.
