Youth Department Offers Summer Volunteer Program

All three locations of UAPL are seeking teen volunteers for the following positions this summer:

Interns (Tremont and Lane Road)

Teens entering grades 10-12 or who graduate high school in 2017 are eligible to be an intern. The unpaid positions involve a commitment of 8-10 hours per week from the end of school to July 30. Interns gain valuable leadership and career skills by training junior volunteers, assisting with programming and collection needs, and other duties as assigned. High school intern applications are available Saturday, April 1 and are due Monday, May 1.

Junior Volunteers

Students in grades 7-12 wishing to help register and award prizes at our summer reading table are encouraged to apply for a Junior Volunteer Position. Applications for Junior Volunteers will be available Saturday, April 1 and are due Monday, May 1.

Book Buddies

Back by popular demand, all three locations of the Upper Arlington Public Library will also be seeking teens to help with our Book Buddies Program. Teens entering grades 6-12 are paired with a younger student and act as their "coach." Applications for Book Buddies will be available Monday, May 1.

Applications for all of these positions will be available on the dates noted above at all three of our locations and on our website. Completed applications can be dropped off at the preferred volunteer location.

Summer Library Club Begins May 22

Let's Build a Better World together! Our Summer Library Club begins May 22 and offers 10 weeks of literacy focus as well as experiential, entertaining, and educational programming. Just visit our website at www.ualibrary.org, or come in to any of our locations to sign up.

We'll offer coupon and book prizes, and everyone that finishes before the last day of Summer Library Club on July 22 will be entered into a grand prize drawing for their age group. More details will be available in the summer *Insight* and *Library Link* publications.
