Library Link

Events for Adults, Children & Teens at the Upper Arlington Public Library

Books color our world and brighten your day!

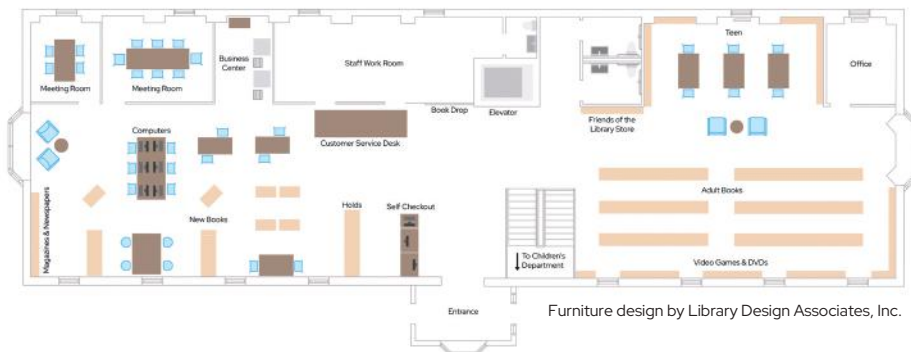

NEWS FROM THE LIBRARY

Lane Road Branch to Reopen on July 7

After being closed for more than seven months for renovations, our Lane Road Branch will reopen on Monday, July 7.

The refreshed building will have improved comfort and convenience, including new HVAC, energy-efficient lighting, and sound management. Visitors will enjoy two new meeting rooms on the first floor, additional power outlets, new computer workstations, and a fully ADA-compliant furniture layout to ensure accessibility. Teens will have their own expanded space, including seating for group work.

The children's area downstairs will feature comfortable and flexible seating, workspace and shelving. These changes were made possible thanks to generous donations from The Friends of the UA Library and individual donors. Thank you!

Downtime for SearchOhio and OhioLINK

OhioLINK and SearchOhio are statewide borrowing systems that some patrons use to receive items not owned by the Upper Arlington Public Library or other members of the Central Library Consortium.

These services are undergoing a software upgrade and will not be available for several months. OhioLINK will be down from May 23–October 27. SearchOhio will be down from August 1–October 27.

No requests, checkouts or renewals can be made during these times. Items may still be returned.

Upgrade to Our Latest App

Our improved app is available in the Apple App Store and Google Play Store.

The app has improved performance and reliability, and a modernized design. Among the new features: you can add multiple library cards...perfect for those picking up items for children or partners!
